Monday rehearsals: due to the ongoing work at St Marys and around the Close, members are asked to use available spaces at St Marys and Dam Street if they have a pass for those areas, but not to double park or block any other cars in – particularly those for bell ringers. If there are no spaces, or if you prefer, we have permission to park in the school car park. Please always display your pass in your car (or a note saying LCCC)

***All Choir members** are asked to park at Lichfield Cathedral School, The Palace, The Close, on * these dates and not to use the St Marys car park, or Dam Street. This enables enough space for stewards and congregation to park. Please always display your pass in your car (or a note saying LCCC).
